The key signature has one sharp (F#). The bass line ends with a whole note in measure 98. The guitar part ends with a final strum in measure 98.

“WORK WITH MY ENEMIES”

by Mountain Ghost

**There's so much trouble at the borders
It's a pandemic of fear and pain
With some angry guns eager to point the blame
There's so much trouble at the borders
Wounded hearts locked on how to attack
As they live to fight the invaders back**

**I don't go flailing my extremities
I don't take to aggression remedies
I just put a lid on those flaming memories
And learn to work . . . Learn to work
Learn to work with my enemies
Work with my enemies . . . Work with my enemies**

**There's so much talk at the capitals
They got a speech for this a party line for that
They need medical care from ill will to fact
There's so much talk at the capitals
Armored safe houses for dread promoters
Just looking to score more worried voters**

(Chorus)

**Some call on fate to heal it
Some pray the war will set them free
Some need a godsend to feel it
But waiting on a miracle's not for me**

(Chorus)

Work with my enemies
